Description

The second Feierabend im Museum will focus on the new permanent exhibition in the Oberes Tor. It was opened in summer 2022 - the 100th year of the museum's existence. The concept for this has been developed since 2018 as part of a project funded by the European Union's Leader program. It focuses on the Upper Gate as part of the former town fortifications of Bludenz and the period from the 13th to the 19th century. Afterwards, there will be an opportunity for discussion over a drink.
