 Fohrenburgstraße 5, 6700 Bludenz

The traditional company since 1881.

Let the unicorn and the brewmaster guide you through the Fohrenburg brewery. Here you can learn how to brew the famous Fohrenburger beer. The oldest building of the brewery is the old joinery. It was renovated inside in 2014 and offers space for beer tastings in the brewery Stuba, our brewery museum and the brewery shop.
