Tour description

Enjoy a fabulous panoramic view on the Burtschakopf at 2,244 m above sea level.

The start of the tour is at the mountain station of the **Sonnenkopf** cable car. From here, follow the signposts and trail markings over the Schloßboden uphill towards the **Burtschasattel**. This hike is accompanied by sensational panoramic views - Arlberg, Lechquellen mountains, Rätikon and the Swiss mountains always in view.

Attention: From the Burtschasattel the trail now leads over a steep grassy slope and the secured final ridge to the summit (white-blue-white marking). The last stretch to the summit is very exposed and equipped with a **rope belay** - therefore only recommended for experienced mountain hikers who are free from vertigo.

At the summit you will have a fabulous panoramic view. The descent is via the **Thüringer Schafalpe** and via the Höhenweg back to the mountain station of the **Sonnenkopf** cable car.
