Schattenlagantweg | Brand

MODERATE | REFRESHMENTS | ROUND TRIP

Tour description

Very beautiful winter hike to the idyllically situated Schattenlaganthütte.

From the outskirts of Brand (Palüdbahn parking lot), this loop trail leads to the left of the Alvierbach stream into the valley toward the so-called “Schattenlagant”—a beautiful, peaceful valley with a special winter atmosphere. The unprepared hiking trail continues to wind slightly uphill until you reach the Schattenlagant road a little above the "Untere Schattenlagantalpe". From here it is a short stretch on the road, which is prepared in winter, to the Schattenlagant hut. Return the same way or, if conditions are avalanche-safe, along the Schattenlagant road.

Please note: Due to high avalanche danger, this trail may be closed. Information about this can be found in the winter report or at Brandnertal Tourismus.
