Schattenlagant Hütte | Brand

EASY | REFRESHMENTS | FAMILY-FRIENDLY | ROUND TRIP

Tour description

Leisurely hike along the Alvierbach stream, past the Kesselfall, to the Schattenlagant hut, where you can stop for a leisurely meal.

The trail leads you from the Innertal parking lot at the end of Brand briefly across the Schattenlagantstrasse and then continues along a meadow path in the direction of the Kesselfall. At the Kessefall you cross the Alvierbach stream and from there continue hiking in the direction of the Schattenlagant hut into the valley. After a comfortable rest at the Schattenlagant hut you hike back on the same path to the Kesselfall. At the Kesselfall you now stay on this side of the stream and hike on the footpath further out of the valley. At the next opportunity to cross the Alvierbach, please take this opportunity and hike below the Herz-Jesu chapel back to the Innertal parking lot.
