MODERATE | PANORAMIC | SUMMIT TOUR | ROUND TRIP

Tour description

Relatively easy mountain tour to one of the most beautiful panoramic peaks with 5 valleys panoramic view.

From the car park at Tschengla in a few minutes to Alpe Rona. Continue, partly through woodland, partly across alpine meadows, always following the signs towards Alpe Furkla or Mondspitze. After Furkla Alpe, continue along the hiking trail and then up to the right to the goods road that leads to Klampera Sätteli. From the Sätteli somewhat rocky and a little more difficult up to the summit - very short secured sections. At the summit you can enjoy a sensational view of the surrounding mountains. The descent is south-west to the Schillersattel. Here, descend to the left on a hiking trail, crossing the goods road twice. Follow this path and descend across a meadow directly to Tschengla.
