Tour description

Short winter hike along the Parpfienz trail from the Panoramabahn mountain station back to the Panoramabahn valley station/Dorfbahn mountain station.

This tour begins with the ascent with the Dorf- and Panorama cable car. The prepared winter hiking trail starts at the Panoramabahn mountain station in the direction of Parpfienzsattel/Faregg. Turn left at the first opportunity and hike along the Parpfienz trail ever so slightly downhill to the Innere Parpfienzalpe. From there, continue along the winter hiking trail to the valley station of the Panoramabahn cable car or the mountain station of the Dorfbahn cable car. Afterwards, you can take the Dorfbahn back down to the valley in comfort. The trail can of course also be walked in the opposite direction.
