4-day tour around the Lünersee (stage 1) | Brand

MODERATE | REFRESHMENTS | PANORAMIC | STAGE TOUR

Tour description

Four days, three huts, two summits

Stage 1

The hike begins at the valley station of the Lünerseebahn cable car. The ascent over the **Böser Tritt** first leads to the Lünersee lake. The **Böse Tritt** is less scary than the name suggests and you experience a beautiful hike with many surprising views of rugged terrain. Once you reach the lake, continue along the right bank until you reach the turn-off to the Totalphütte hut. From here, the trail climbs again until you reach the hut. Then continue to the Schesaplana at almost 3,000 m above sea level, before returning to the Totalphütte.
Overnight stay: Totalphütte

Tips:
We recommend surefootedness, a head for heights and alpine experience. You can divide the ascent per day and hours according to the weather and your needs.
The times given are approximate. Depending on fitness, weather conditions or other circumstances, the walking time may be shorter or longer.
