Mason Waterfall | Braz

Klostertal Vorarlberg

MODERATE | REFRESHMENTS | PANORAMIC | FROM A TO B

Tour description

Hike to the impressive Mason waterfall along the educational hiking trail in Braz in the Klostertal.

The start of this tour is near the Innerbraz municipal office, directly at the Tobel bridge. From here, take the hiking trail up towards Pfarrmähdle. From there, follow the educational trail in the direction of the Mason waterfall. In Rütenen, turn left towards Laschei / Mason waterfall. In Laschei, ascend on the hiking trail until just before the Mason waterfall. The end of the trail is marked with a sign on the rock. The way back to Laschei follows the same path. In Laschei now head down the valley towards Lötsch. In Lötsch continue along the Lötscherweg downhill to the Traube Braz Alpen.Spa.Golf.Hotel. From here, take the bus line 720 back to the starting point or walk along the Arlbergstraße.

Safety advice:
Rockfall must be expected on the hiking trail section up to the Mason waterfall. For this reason, shelters have been set up along the trail again and again, which should be visited in the event of a rock fall. The shelters are marked accordingly.
