Tour description

Discover Klösterle am Arlberg on a leisurely tour through the village.

The "Fuchslochbühel" children's practice lift is located behind the municipal office. From there, the groomed winter hiking trail leads you along the sunny side of the village to the end of the village. Cross the village road and follow the road to the Klösterle municipal building yard, where you will join the Alfenz winter hiking trail. At the level of Arlberger Hof, cross the Anger bridge. On the right side of the Alfenz, the winter hiking trail leads you along the edge of the forest towards the Almwasserpark back down into the valley. Now follow the path uphill to the "Hof" parcel. Enjoy the magnificent view of the surrounding mountains and Klösterle am Arlberg. Via Hofgasse you will return to the centre of the village.
