Tour description

Easy winter hike along the wintry Alfenz in Braz.

Start here at the Arzthaus in Innerbraz. Turn right here onto the Ehalbweg and walk downhill along the Masonbach stream. Under the schools, the trail leads out of the valley and through a subway until you reach the Alfenzweg. Along the Alfenz, the winter hiking trail leads out of the valley to Unterrifats. From here, continue out of the valley to Unterradin to the water intake. There the trail branches off to the right and leads back into the valley via the winter hiking trail. The trail leads along the Klostertalerstraße for a short distance. At the TRAUBE BRAZ Alpen.Spa.Golf.Hotel, turn right towards Unterrifats and hike along the same path along the Alfenz back to the starting point. The tour can also be shortened with the bus line 720.
