From the Freiburger Hütte, follow the**Stebok-Wäg**themed trail downhill toward the Klostertal. Thetrailtakes you past nine stations showcasing the flora, fauna, and geological features of the Klostertal—and with a little luck, you might spot the ibex that gives the trail its name! The trail leads along wide alpine paths and, in sections, forest trails through the **Schmiedetobel**, past the **Musterinalpe**, and down to **Bargand**. From there, it winds its way across the Sandtobel, through the Sponasa grounds to Obermason, and finally to the Kristbergsaal in Dalaas.

As an alternative to walking back, you can take a hiking bus from Alpe Formarin to Lech and then continue on the local bus to Dalaas (pay for your ticket in cash on the bus).
