Alpine fire at the Mittagspitze

🕒 Friday 20:30 o'clock

Duration: 4 hours

A highlight of the summer is in the truest sense of the word the high fire of Damüls.

Description

We'll light up the Mittagspitze! On August 8, 2025, Damüls Mountain Rescue invites you to the traditional bonfire on the Damüls Mittagspitze. At nightfall, around 21:00, the large pile of wood on the summit will be lit, creating an impressive spectacle of light in the middle of the mountains. A special highlight is the torchlight procession, which starts at around 21:40.

The Berggasthof Elsenalpstube offers the perfect view to enjoy the bonfire in a cozy atmosphere. The Uga-Express operates from 18:30 to 23:00 on this evening. Guests with the Bregenzerwald & Großes Walsertal Guest Card can use the train free of charge.

Please note that the ascent to the Mittagsspitze is challenging and requires appropriate equipment and surefootedness. The bonfire only takes place in good weather.
