Kinderprogramm - Zirkusworkshop

🕒 Wednesday 14:00 o'clock

Duration: 3 hours

On Wednesday, 6 August, the free children's programme is going to be colourful and lively - the circus is on! You can try your hand at many different circus disciplines: Artistry, juggling, acrobatics, balancing and much more are on the programme. Whether on the ground, in the air or with props - skill, courage and creativity are required.

You will be accompanied by professionally trained circus teachers and circus trainers, who will guide you through this special day with lots of experience and fun.

A varied afternoon full of movement, fun and circus magic - be part of it!
