STORES/SHOPS

📍 Raggal149/2, 6741 Raggal

Eggs, mountain cheese, milk, butter, sausages

In our own farm shop you can buy our own and regional products.

The range includes alpine cheese from the Oberpartnom alpine pasture, various sausages and free-range eggs from the Burtscher mountain farm.

On request, you can also get veal and beef.

Why is the farm shop not always stocked in the same way? It's because all products are produced regionally and therefore seasonally!
