Steris - Oberpartnom - Unterpartnom | Sonntag

MODERATE | REFRESHMENTS | PANORAMIC | CABLE CAR ASCENT/DESCENT | ROUND TRIP

Tour description

The panoramic hike from Alpe Steris over the Upper and Lower Partnom Alps is perfect for connoisseurs.

The cable car takes you from the valley station in Sonntag across the valley to the mountain station in Sonntag-Stein. This beautiful circular hike starts at the mountain station with a short ascent before the hiking trail branches off to Alpe Steris. A meadow and forest path leads through the Bickelwald forest and over the Steintobel ravine and then you will reach Alpe Steris via a forest road.

At the foot of the Breithorn you can take a break in the Sterisstüble. Continue along a meadow path across flowering alpine pastures to the Oberpartnom alpine pasture. At the Alpe Oberpartnom, the Breithornhütte invites you to take a short break. The trail then continues downhill along the goods road to the Unterpartnom alpine pasture, from where a meadow hiking trail leads directly back to the starting point.
