Tour description

Idyllic circular winter hike on the former cross-country ski trail in Raggal.

The starting point of this winter hike is at the church in Raggal. From here you get between the houses to the Ludescherberg branch. There you follow the signs uphill along the asphalt road. When you arrive in Rapiert, the valley station of the Gafiduralift is on the left. The upper tracked winter hiking trail leads you from here along the Labomweg, past numerous hay barns, in the direction of Ludescherberg to the district of Grüneck. To get back to Raggal, take the Ludescherberg goods path to the Wiesweg turn-off. From there, enjoy the last part on the prepared winter hiking trail Wiesweg up to the Gafiduralift. Return to the centre of the village via the ascent path along the asphalt road.
